Hossam Soltan [Minya, Egypt]: When you are talking about social media; I was thinking that following too much successful people may have a negative impact on a person than inspiring him. I mean I may say omg he did all these stuff but I did not do much so I just give up instead of being inspired. What do you think Scott?

Zulfi: Hello Scott, I totally agree the importance of self reflection - can you please suggest some ideas / tools to practice selfreflection in our daily life?
